FIRST BLACK JOURNALIST EVER ELECTED TO CONGRESS

THE NEED FOR CLERGY CRUSADES TO WASHINGTON, D.C.

A gallant contingent of prominent Black ministers from Chicago's Southside and South Suburbs came to Washington, D.C., June 8-9, to battle against proposed cuts in needed social programs to allow increases in defense spending.

These men and women, however, left more than words printed in the Congressional Record (June 10 edition) which documented their "Clergy Crusade." They also left deep lasting impressions in the hearts and on the minds of ranking congressional leaders, including House Speaker Thomas-P.O'Neill, Majority House Whip Thomas Foley, Senators Charles H. Percy and Alan J. Dixon.

The message delivered by these black ministers is one that must be repeated by other leaders in Black churches all across our nation. That point-blank message is: Black people and the poor of our nation are hurting and we are unwilling to sustain any more pain.

A budgetary remedy must be prescribed as part of the federal budget for fiscal year 1983. WHY THE BLACK CHURCH? The Black church has historically been, and continues to be, the strongest pillar of hope standing in Black communities.

These are pressing economic times which find Black communities nearly crushed under the weight of a severe depression.

Too many of our people are without jobs, others face the loss of their homes due to changes in federal mortgage regulations, many of our senior citizens are without proper health care and they are worried about the future of Social Security, and in the midst of all the other wide ranging proposed cuts to social programs, many of our young people have given up plans for college due to student aid reductions.

As the ministers from the Chicago area noted in a statement: "The Constitution of this great nation states that this country was formed to insure domestic tranquility and to promote the general welfare, among other things, of all its citizens. We come to ask you to search your conscience and live up to this mandate by the federal goverment."

The ministers have put themselves on the front line of the battle of the budget. The Republicans are working hard for their budget proposal, and so are the Democrats for theirs.

However, the Black community is left out in the cold. The budget proposal offered by the Congressional Black caucus was the best plan the Congress has considered to date. It not only called for more social programs, but the smallest federal deficit of six other proposals considered so far.

PSYCHIATRIST, JULIA MOORE M.D.

Dr. Julia Moore is used to giving good advice. The thirty-nine year old psychiatrist takes advantage of her extensive experience by counseling callers on KVI Radio from 1 p.m. to 4 p.m. on weekdays.

"I feel this show is a convenient and important way to broaden coping skills for day-to day problems of living," said Dr. Moore. "A lot of people refrain from seeing a counselor or therapist because of the fear of confrontation and the cost involved. In this format, concerned people can call me as they would a friend, with nothing to loose. Though not diagnosis or treatment, my show can help listeners organize their concerns. Drawing upon my background as a psychiatrist, I will add educational information about these psychological and interpersonal problems. The show also provides referrals in the community where listeners can further pursue their problem-solving. I'm excited about becoming a part of this community service and I see this show as a valuable, supportive, and educational effort in the community."

Having received board certifications in the specialties of general psychiatry in 1976, and child psychiatry in 1977, as well as holding state medical licenses in Wisconsin, California, Maryland and Washington, Dr. Moore's credentials are plentiful.

Dr. Moore graduated Magna Cum Laude from Marquette University in Milwaukee, Wisconsin in 1965 with a bachelor of science degree in biology and a minor in chemistry. She then attended the Medical College of Wisconsin also in Milwaukee, (formerly called Marquette Medical School), where she graduated Alpha Omega Alpha, a medical honorary society, in 1969. Her residencies were done in general psychiatry at Milwaukee County Community Mental Hospital in Baltimore, Maryland from 1972 to 1973. Six months of her third year were spent in an inpatient and an outpatient drug treatment program at the Veterans Hospital in Baltimore. She completed a two-year fellowship in child psychiatry studies. There, she had a special interest in depression in children and adolescents.

Legislative leaders have called for a series of meetings to begin next week to examine the state's fiscal situation which prompted Governor John Spellman to convene an emergency session of the Legislature June 26.

ARTHUR TEELE

WASHINGTON --Arthur Teele, Administrator of Urban Mass Transportation Administration (UMTA), announced the award of ten grants for almost $800,000 to historically Black institutions for research projects.

"In this year's UMTA research program there is an 80 percent increase in the number of minority universities participating over the previous year," said Teele. "This also represents a 200 percent increase in the number of participants and a 250 percent increase in the dollars going to minority universities since 1980."

The UMTA University Research and Training Program encourages and supports university research, education and training which will address and be responsive to local, state and federal urban transportation concerns, and advance the understanding and resolution of critical transportation problems facing the nation.

The ten minority schools receiving grants are: Texas Southern University, Houston; Howard University, Washington, D.C; Edward Waters College, Jacksonville, Fla.; University of Puerto-Rico, Mayaguez; Alabama State University, Montgomery; Morgan State University, Baltimore; University of District of Columbia, Washington, D.C; North Carolina A&T State University, Greenville and Atlant University, GA.

DICK GREGORY TO ADDRESS YOUTH FREEDOM BANQUET

NEW YOUR, June 11 -- Dick Gregory, actor, comedian, civil rights and social activist, will be the featured speaker at the Youth Freedom Awards Banquet at the NAACP Annual Convention in Boston on Friday night July 2nd. The program will begin in the Co;ey Plaza Hotel ballroom at 7 p.m.

Mr. Gregory is no stranger to Americans or to the NAACP convention. He has been an active public figure since becoming a nationally-recognized comedian in 1961 and has been a repeat speaker for youth convention programs in recent years.

Born in a St. Louis, Mo., black ghetto, Mr. Gregory in high school became a state champion in track and field. He continued to excel in athletics at Southern Illinois University in Carbondale, Ill., and has throughout his professional career sustained respect for his excellent physical stamina.

Upon entering the entertainment field, he quickly surmounted the usual racial barriers to become a nationally-acclaimed name. He was a unique figure in this regard because of his combining moral passion with wit. Today it is hardly likely that he has an equal because of his unique combination of talents as a comedian, acerbic social commentator, philosopher and political analyst.

Mr. Gregory is renowned for also having opened the doors for black comedians in the entertainment industry. From that impressive start, he actively joined the civil rights movement of the sixties, participating in every major demonstration for civil rights.

Subsequently, he expanded his concern to include other human rights issures. Not only has he worked with civil rights and antiwar groups, but he is also a well-known figure in the struggle for human liberation in Africa and other areas.

Mr. Gregor's activities have on several occasions landed him in jail. He twice served 45-day sentences, once for demonstrating daily against de facto segregation in the Chicago public school system and at another time for demonstrating in Washington state with the Niqualy Indians in support of their demand for full participation in American society.

Extending his concerns to the medical field, Mr. Gregory himself last year became the center of an experiment to test the effects of extended fasting on the human body. In the process, his body weight dropped from 154 pounds on July 21 to 104 pounds on September 28. He survived such a 70-day long ordeal and amazed doctors and scientists by subsequently walking and jogging some 100 miles from New Orleans to the state capital of Baton Rouge.

Soon afterward, the 49-year-old Gregory resumed his normal work schedule.

NAACP HOUSING CORPORATION GETS TECHNICAL ASSISTANCE GRANTS

The lack of adequate facilities and services to the poor, and historical problems experienced by racial minorities in improving their opportunities for a better environment has been and continues to be a major concern of the NAACP.

In this regard, the NAACP National Housing Coporation (NHC) has been awarded a technical assistance grant from the Department of Housing and Urban Development (HUD) to provide technical assistance through training workshops and on-site services to its local branches, neighborhood-based organizations engaged in developmental activities, and local officials in communities eligible for Community Development Block Grants (CDBG) and/or Urban Development Action Grant (UDAG) - to increase their planning capacity and ability to prepare and implement elegible projects under these specific programs.

The states where training workshops will be held in 1982 are: ALABAMA (Tourway Inn - August 13, 14, 15 - Montgomery), GEORGIA (Capital Airport Inn - August 6,7,8 - Atlanta), FLORIDA (Princess Martha Motor Hotel - August 27,28, 29 - St. Petersburg), and TEXAS (Gateway Inn - September 3,4,5 - Wichita Falls).

In the performance of these HUD grants the NAACP NHC will operate in close collaboration with HUD national, regional and area office personnel. State housing finance agency officials, Insurance company officials, Fannie Mae/Ginny Mae officials, savings & loan institution.

The lack of adequate housing for low-income families, and the difficulty in managing such housing through non-profit sponsors has been a major concern to the NAACP. To this extent, the NAACP National Housing Corporation has provided information and other forms of support, when possible, to numerous organizations's local non-profit housing sponsors and housing management corporations.

The registration fee is $75. for members of NAACP. $100. for non-members. Checks should be made payable to: NAACP NATIONAL HOUSING CORPORATION and mailed to:

LENA HORNE TO PLAY SEATTLE ONE WEEK ONLY

"Lena Horne: The Lady and Her Music," originally scheduled for a two-week engagement at The 5th Avenue has been changed to one week only.

"We don't like these things to happen any more than our patrons do," said Andrew M. Witt, general manager of The 5th Avenue. "However, date changes are always a problem with theatres like The 5th Avenue that present national touring shows. The touring schedules of various productions other than "Lena Horne" necessitate this unforunate change."

Theatre patrons holding tickets to performances for the week of September 7 through 12 are being contacted by the theatre but encouraged to call 625-1900 to arrange for an exchange or refund.

"Lena Horne: The Lady and her Music" will now play August 31 through September 5. THE PERFORMANCE SCHEDULE IS AS FOLLOWS:

Tuesday, August 31- 8:00 p.m., Wednesday, September 1- 8:00 p.m.
Thursday, September 2 8:00 p.m.
Friday, Sep. 3, 8:00pm
Saturday, Sep. 4, 8:00 p.m.
Sunday, Sep. 5, 4:00 p.m.

ALL CITY HI JINKS VARIETY FASHION SHOW.

AL DAVIS BOY'S CLUB

RODNEY CLARK

DRAMA DIRECTOR

The Drama Department of the Al Davies Boy's Club presents "Hi-Jinks" Variety and Fashion Show, consisting of local talent from the Tacoma area. The cast is ticking and ready to explode their creative ability to the community.

Although the cast consists of teen-agers and young adults, the older generation should make way for a storm of popping, singing, jazz, dancing, and many other acts.

There will be a small combo lead by Tacoma's Paul Richardson on Key-boards and synthesizer. Al Hunter will pluck his bass guitar while Jerry Davis maintains the beat on drums. The band will accompany the singers and K.T.O.Y's Don Dowell will spin the records for the dance acts and Fashion Show. This Fashion Show will not be your ordinary fashion show. Fashion Show coordinator, Genoltra LeVert, expressed her views of the production of "Hi-Jinks" "In rehearsal, everything is falling into place, the models are excellent, the singers and dancers are improving and the band is ready to steal the show." I think Tacoma is in for a treat." The fashions are from the Bottoms Women's Apparel and Bernie's Mens Wear located in the Tacoma Mall.

Rodney Clark, the Director of "Hi-Jinks" commented on the question of who is singing, dancing and modeling. "I feel that it would be totally unfair to mention any member of the cast without mentioning all of them, so just tell everyone to come see for themselves!!"

The show begins June 24 and runs through the 25th and 26th, beginning at 9:30 p.m. and lasting until 1:00 a.m. Ticket locations are at Woods Barber Shop, Southern Kitchen Restaurant, The Tacoma Urban League, The Facts, The Caballeros Club and Al Davies Boys' Club. The tickets are $1.00 for Al Davies Boys' Club members, $2.00 for non-members and $3.00 for the general public. For more information, call 383-2731.

THE TERRIBLENESS OF GOD's JUDGMENTS

JOEL, 2

BLOW ye the trumpet in Zion, and sound an alarm in my holy mountain: let all the inhabitants of the land tremble: for the day of the Lord cometh, for it is nigh at hand;

A day of darkness and of gloominess, a day of clouds and of thick darkness, as the morning spread upon the mountains: a great people and a strong; there hath not been ever the like, neither shall be any more after it, even to the years of many generations.

A fire devoureth before them; and behind them a flame burneth: the land is as the garden of Eden before them, and behind them a desolate wilderness; yea, and nothing shall escape them.

The appearance of them is as the appearance of horses; and as horsemen, so shall they run.

Like the noise of chariots on the tops of mountains shall they leap, like the noise of a flame of fire that devoureth the stubble, as a strong people set in battle array.

Before their face the people shall be much pained: All faces shall gather blackness.

They shall run like mighty men; they shall climb the wall like men of war; and they shall march every one on his ways, and they shall not break their ranks:

Neither shall one thrust another; they shall walk every one in his path: and when they fall upon the sword, they shall not be wounded.

They shall run to and fro in the city; they shall run upon the wall, they shall climb upon the houses; they shall enter in at the windows like a thief.

The earth shall quake before them; the heavens shall tremble: the sun and the moon

AS WE GO ALONE EACH DAY.

As we go alone each day upon our trip, We just could see the mountain tips, They were so high beautiful and gay, As we traveled alone each day.

The boys in the coach they sing and laugh,

Ernest White

NEW UNEMPLOYMENT TAX ONP FISHERMEN AND ALIENS.

SEATTLE, WASHINGTON--Compensation paid for services of certain fishing crew members and for aliens engaged in agricultural work on a temporary basis is now subject to federal unemployment taxes (FUTA), Michael J. Quinn, Seattle IRS District Director announced.

Before 1982, compensation paid to a boat's crew for catching fish or other aquatic animal life was exempt from FUTA taxes if the compensation was a share of the boat's catch or cash proceeds from the sale of a share of the catch. The boat's operating crew generally had to be fewer than 10 individuals. Compensation paid to aliens admitted to the United States to perform agricultural work on a temporary basis under the Immigration and Nationality Act also was exempt from FUTA taxes before 1982.

These exemptions have not been extended by legislation. Employers should treat such payments as taxable wages when they determine FUTA tax liability beginning with the first calendar quarter of 1982 Penalties for failure to deposit federal unemployment taxes timely for compensation paid for services of aliens engaged in agricultural work will not be assessed until after June-30, 1982.

If legislation is enacted extending the exemtions, employers may file a claim for refund on form 843 or claim for the overpayment by making a reduced deposit of FUTA tax for a subsequent calendar quarter.

BLACK GOLD

I am the Black woman, mother of civilization queen of the universe, through me the Black man produces his nation. If he does not protect his woman he will not produce a good nation. It is my duty to teach and train the young, who are the future of the nation. I teach my children the language, history, and culture when they are very young. I teach them to love and respect their father, who works hard so they may have adequate food, clothing and shelter. I care and make our home comfortable for my husband.

I reflect his love to the children as the moon reflects the light from the sun to the earth.

I sit and talk with my husband to work out daily problems and necessities of running a stable and peaceful household.

The best that I can give my nation is strong, healthy, intelligent children who will grown to be the leaders of tomorrow. I am always aware that the true worth of a nation is reflected through the respect and protection of the women, so I carry myself in a civilized manner at all times, and teach my children to do the same. I AM THE BLACK WOMAN.

BREAD BOX WATER HEATER

One of the most popular passive solar water heating options-- and one that is growing in popularity-- is the breadbox water heater. These heaters were originally marketed in the United - States in 1891 and though building materials have changed, the fundamental design principles remain the same. A breadbox water heater consists of one or more black tanks placed in an insulated box that is glazed so that sunlight can strike the tanks. Because the tanks act as both collector and storage, there is no need to use a pump to circulate the water, nor is electricity necessary to operate the system. Most breadbox heaters are set up to preheat water so that a conventional water heater doesn't need to operate as frequently. Because these systems are simple and easily built by homeowners, they have a real attraction for do-it-yourselfers. Additionally, their simplicity makes them relatively inexpensive when purchasing commercially manufactured units.

The Light Division and the Washington Energy Extension Service are offering a free class on passive solar water heating on Administration Building auditorium, So. 35th St. and Union Avenue.
